

Jocelyn Irle

USER EXPERIENCE DESIGNER

Product Designer, passionate problem solver and collaborative creator, skilled at content creation and designing intuitive visuals.

EXPERIENCE

Teacher / Mentor | Protostar Education

DEC. 2018 - PRESENT

- Provide instruction via online education software.
- Coordinate with applicants to schedule and conduct interviews and mentor on-boarding teachers.
- Improved the user experience of new teachers by designing email templates and creating resources for the on-boarding process.

English Instructor | JET Program

JUL. 2013 - AUG. 2018

- Collaborated with Japanese teachers of English daily to plan and instruct English language classes.
- Created engaging lessons, activities, visuals, and presentations.
- Lead activities in English and Japanese for classes of 3 to 30 students.
- Created presentations on motivating and engaging students, and presented at JET conferences.

EDUCATION

UX Design Program | CareerFoundry

AUG. 2019 – JUNE 2020

- Intensive training program for UX designers, specializing in UX processes and methodology that includes user research, user journeys, prototyping, testing, information architecture, and visual design fundamentals.
- Designed 2 apps using software such as Adobe XD and Figma for wireframes and prototypes.

BS Animal Science | Washington State University

MAY 2013
